THE best place to buy Shorthorn cattle is in a Shorthorn cattle section. Northwestern Illinois has been a stronghold for good Shorthorns for many years. The breeders are wide awake. They are constantly improving their own herds and each year they are able to offer animals of better quality in the Tri-County Sale. This year the offering has been further strengthened by a few very choice cattle from other parts and prospective buyers who attend this sale will find 48 head of real improvers. Breeders can find plenty of suitable material for herd bull use and farmers will find the kind of bulls that will sire market topping steers. A study of the catalog will reveal the fact that the 30 females are a beautifully bred lot representing the best Scotch tribes and the blood of noted sires. The annual Tri-County Sales have supplied good Shorthorns to critical buyers for more than a quarter of a century. Come to Lena, Ill., on November 11th and buy beautifully bred cattle that are sure money makers.

All cattle entered in this sale have been tested for T. B. and Abortion within thirty days of the date of the sale.

Terms and Conditions

LOCATION—The sale will be held in the heated Community Auction Pavilion at Lena, Ill., on Thursday, November 11, 1937. This sale, in former years, has been held at Freeport, but new and much better accommodations have been found in Lena, Ill. Paved road 73 runs north and south through Lena joining U. S. 20 one mile south of town. Lena is located 12 miles northwest of Freeport. There is a comfortable hotel in Lena for those who care to remain over night. The sale will start promptly at 1 P. M.

TERMS—Cash, unless other arrangements are made with the owners of the cattle before the sale. Settlements must be made with the clerk immediately at the close of the sale. All cattle will be at buyers risk as soon as bid off, but will be loaded on cars or delivered to trucks for transportation to comply with instructions of the purchaser.

GUARANTEE—All cattle sold subject to a 60-day retest for tuberculosis and health certificates will be furnished to comply with any state into which they may go. All cattle in this sale have been blood tested for Bang's Disease within 30 days of the date of this sale. Bulls are guaranteed if properly cared for and not allowed to run at large with the herd under fourteen months of age. If any bull fails to breed he may be returned to the seller, if in as good a condition as when sold, and if after a fair test in the sellers herd, he still fails to breed he will be replaced or purchase price refunded at the option of the seller. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months old at time of sale are guaranteed breeders. Animals returned to the seller because they do not comply with the guarantee will be at the buyers cost of transportation. The above guarantee and terms shall constitute a contract between seller and buyer of each lot. The Tri-County Shorthorn Breeders' Association, under whose auspices this sale is held, assumes no liability but it is our desire and intention to protect the interests of both buyer and seller with a view of bringing about a satisfactory adjustment of any difference that may arise. The clerk or sale manager assumes no liability, legal or otherwise.

REGISTRY—A certificate of registry and a signed transfer will be furnished with each lot sold, and an application for registry will be furnished for each calf sold at foot with dam and for each unborn calf sold in dam. Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

BIDS—Those wishing to buy who cannot be present may leave bids or send them to Hal Longley, the sale manager, in care of The Shorthorn World, 37 Island Ave., Aurora, Ill. Buying orders may also be sent to J. E. Halsey of Wallaces' Farmer or H. F. Brant of the Drovers Journal. Such orders will be honestly and faithfully executed.

Shorthorns like these may be found in the pastures on the farm of H. L. Wernicke & Son, Lena, Ill., and Shorthorns of similar type and quality will be found in the Lena Sale on November 11th consigned by the Wernickes and other good breeders.
